### 鹰的涅槃

有一只鹰  
它高做的盘旋  
它将落点  
定在了江东  
那里有  
天门中断楚江开  
碧水东流至此还的  
江涛滚滚  
那里有  
至今思项羽  
不肯过江东的  
万丈豪情

有一只鹰  
它桀骜的飞翔  
它将目光  
注视着全球  
那里有  
融合裹挟着  
后蔡伦时代的  
工业文明  
那里有  
让所有纤维  
都能再生的  
循环经济

有一只鹰  
它勇敢的涅槃  
它将巢穴  
筑在了悬崖  
饱经沧桑的长喙  
击打着岩石  
用新生的指甲  
拔掉沉重的羽毛  
在风霜雪中抗衡  
抗衡着  
彰显出它的坚韧  
抗衡着  
彰显出它的卓越  
抗衡着  
实现了它的蜕变

这是一只  
抛弃束缚的山鹰  
苍穹属于它  
蓝天下一定有它  
舒展的臂膀  
大地属于它  
高山上一定有它  
雄浑的鹰姿

### Eagle Nirvana

There is an eagle  
Hovering Proudly  
He will land  
Settling to the east of a river  
Over there, there is  
A door of heaven broken open by the river water  
The clear green water runs here making a whirlpool  
Waves of water gush  
Over there  
Until today a reminder of Xiangyu  
The great passion of his not to pass the east river

There is an eagle  
Flying freely  
he sees the whole world  
Over there  
It emerges  
The Post Cai Lun Era  
Industrial civilization  
Over there  
Let all the fibers be recycled  
In a circular economy

There is an eagle  
His brave nirvana  
He builds a nest on the cliffs  
The beak has felt much of the changes in human life  
Hitting the rock  
Using the newly grown claws  
pulling out the old feathers  
Fighting against a blizzard  
Striving  
It shows his tenacity  
Striving  
Shows his excellency  
Striving  
Shedding its old skin

This is an eagle that has thrown away its bondage  
The sky is his  
You will see him in the sky  
Spreading his wings  
The land belongs to him  
You will see him in the high mountains  
A mighty eagle's bearing

从平凡的工作到创新的巅峰，于无声处展现认真的感动，从早安后的早餐到晚餐后的晚安，从黎明后的太阳到深夜里的月光，他们用钢的意志，铁的臂膀，在同样的朝九晚五中，勾画出了别样的风景。他们是先进中的标兵，是标兵中的旗帜。

From ordinary work to new highs, they work silently. From dawn to dusk, with their sprit of steel and arms of iron, they are showing us a unique landscape. They are the pioneers. They are the flag of the pioneers.

Project Award  
项目奖

每一次投资都是一场综合能力的检验，每一个项目都意味着新的探索和挑战。在境外，他们创造了2017年中国企业海外收购最短交易时间的记录；在国内，他们的努力将产能跃上新的台阶。日夜兼程，是他们项目执行中的工作常态；跨越时空、夜以继日，是他们频繁出差所要适应的状态；对于动辄数亿元的投资，他们深知自己肩负着山鹰展翅未来的憧憬，唯有兢兢业业，鞠躬尽瘁才能使山鹰国际化的步伐铿锵前行。

Every investment case is a test of comprehensive ability. Each project represents new discoveries and challenges. In overseas, they broke 2017 shortest acquisition time record; in China, they are trying hard to reach new heights. Working 24/7 is normal for the project team. Going on business trips non-stop is something normal to them. They understand that a billion yuan investment project is a huge responsibility.

什么是路？就是从没路的地方奔腾出来的，从只有荆棘的地方开辟出来的。一人智短，众人智长，只有员工不断地发挥智慧，不断地用创新来实现持续的优化与改善，企业才能趟出一条发展之路来。技术只有起点，创新没有终点。这个奖是创新的印记，是思考的证明。他们为企业的发展提供了源源前进的动力。

What does the word road mean to you? It is a beaten track of thistles and thorns. Team work is better than a person working as an individual. The enterprise can be on the right developmental path when all the employees put their wisdom together, using innovation to realize optimization and improvement. The technology only has a starting point, innovation has no end. This award is a mark of innovation and is the evidence of thinking. They have provided the motivation for the enterprise to move forward.

是一滴水，他便要把自己融入大海；是一树梅，他便要让自己开在悬崖。一群人，一条路，一颗心，植根于普通的岗位、孕育于长期的积累。弓腰扛背，沐雨栉风。车间的设备越擦越亮，照见皱纹，照见梦想。一擦一擦心血，带着汗水，沉甸甸称量出高尚。
